

CEV BEACH VOLLEYBALL

TV-01 EUROPEAN CHAMPIONSHIP MASTERS

TV PRODUCTION GUARANTEE

The CEV is the sole organiser of all European Beach Volleyball competitions, in particular the 2017 CEV Beach Volleyball European Championships Masters (hereinafter "the CEV competition").

All Media rights - Production rights and Broadcasting rights - of the CEV competition originally belong to the CEV.

Infront is the sole and exclusive partner of the CEV to market and to distribute all Broadcasting rights of the CEV competition throughout the world.

The National Federation is willing to organise the CEV competition and submits a candidature application which includes the present document. This document aims to guarantee the production of a TV signal - meaning the use of the Production rights. The agreement to be signed between the CEV and the National Federation (hereinafter "the Organiser agreement") will include the content of the present document.

The undersigned - being the authorised representative of the National Federation - agrees, acknowledges, commits and warrants the following:

- To produce and provide the TV signal of the semifinals, bronze medal match, gold medal match and awarding ceremony of the CEV competition; during a minimum of 1 match day for a single gender event and 2 days for a double gender event.
- To produce and provide the TV signal for the above mentioned matches and ceremony, according to the following production standard:
 - A minimum of 5 cameras including 3 fixed cameras (1 of each super slow motion or Ultra Super Slomo), 1 handheld camera and one net camera;
 - A Digital Disk Recorder or similar video playback deck to record all cameras with slow-motion capability for play-backs;
 - Microphones minimum for the main camera, the handheld camera(s), the net and one in each short side.
- To submit, for approval, the positioning of the above equipment around the center court.
- To introduce the graphics in English during the transmission of the produced matches and ceremony according to the instructions given by Infront.
- To comply with the international running order, as agreed with the CEV and Infront.
- To make available to Infront, on a live basis, via an established European satellite such as Eutelsat W3A or W2A, the TV signal comparable to full HD 1080i World Feed Standards (16:9 aspect ratio, 625/50 PAL) with 2 separate international sound audio tracks and without foreign commentators / journalists in vision, third party commercials, menus or similar.
- To possibly grant some Broadcasting rights - National rights - to a host broadcaster for a maximum of 48 hours after the completion of the CEV competition. The scope of these rights is defined in the Organiser agreement. No other Broadcasting rights are granted to the National Federation or host broadcaster.
- To provide the CEV and Infront, within two weeks after the completion of the CEV competition, with the audience figures and ratings of the produced matches.
- To bear all the costs related to the use of the requirements mentioned in the present document
- To comply will all deadlines mentioned in the Organiser Agreement.
- The above requirements will be detailed in the Organiser Agreement.
